## Message from the Headteacher

Dear Parents/Carers,

This week, the children have been coping really well with the hot weather. It's a bit of a relief for some cooler weather to be here next week! Please can you send a coat into school, just incase we have some rain!

Last week, I welcomed our new Foundation Stage Leader, Ms Holtham, who will be starting in September. Today, I would like to welcome another new member of staff, Ms Benson, who is our new School Business Manager, who will also be starting in September. Both of them will be a great assest to the school and I look forward to them starting next term.

As stated last week, we are still awaiting further instruction from the Government about what September looks like for the children. We will keep you informed of the latest news, as and when we hear anything.

As always, keep safe and well.

Many thanks, Jon Stevens.

***Bromley Hills is a Good school. Ofsted report 2019.***

## Information

### Dates for your Diary

**Last day of Summer term** - Friday 17<sup>th</sup> July.

**Start of Autumn term** – Thursday 3<sup>rd</sup> September (depending on the advice from Government about the reopening of schools).

**Autumn Half term** – Monday 26<sup>th</sup> October – Friday 30<sup>th</sup> October.

**End of Autumn term** – Friday 18<sup>th</sup> December.

**Start of Spring term 2021** – Tuesday 5<sup>th</sup> January.

## Coronavirus Risk Assessment

The risk assessment that has been written and agreed by Governors is on the school website. If you wish to have a paper copy, please let the school office know and a copy can be posted to you.

## Fundraising Event

You may remember during the Spring term we had a Paralympic athlete come into school and lead a fund raising event in school with the children.

I am delighted to announce that we raised a staggering £1,048 for school to purchase sports equipment with.

This is really fantastic and a great opportunity to purchase equipment for children to be able to use at lunchtime.

Thank you for your generosity.

## Dudley Performing Arts

As you know, we have Dudley Performing Arts (DPA) in school teaching whole class music lessons. However, due to the current situation, they have produced a series of short clips where children can continue to learn about music, even without the instrument.

See the links below for the music clips.

## School Lunch

This week we have trialled a hot lunch, which has gone down well with the children! Therefore, next week, we are expanding our hot lunch provision by offering **sausages on Thursday** as well as **pizza on Friday**, which will be delivered to the classes in an individual box for each child.

If you would like your child to have either or both of these, please book online. **All orders must be booked by Wednesday evening.**

Please ignore the rest of the menu, as children will carry on having sandwiches for the rest of the week.

If this goes well, we will look at introducing other foods during the following week.
