Reading

Read widely and for pleasure. Keep a '**Reading Journal**' where you can complete **book reviews, write about the characters, design a front cover, research the author** etc. Don't forget to have a photograph taken of you in an Easter pose and send it to info@bromhills.dudley.sch.uk marked 'Easter reading challenge' – you might win a prize!

Writing

Choose a topic of interest (such as a country, an animal or period in history – it could be something that you have studied in school) and find out as much as you can on this topic. You could keep a **scrapbook**, write a mini book and include pictures and captions to engage your reader. Be prepared to share your work on return to school. Also:

- Keep a diary of your time at home;
- Write a news report about these interesting times;
- Write a poem or rap to encourage kindness;
- Produce a poster offering advice to the public.
- Write a story for younger children.
