## Topic

For the last part of our topic we have been learning about the Moon landing in 1969 and the significant people involved. Neil Armstrong was the first man on the Moon. Could you write a diary entry for Neil and detail how he felt when he was setting off on his journey and also when he set foot on the Moon. Remember to use 'I' and write in the past tense. Eg. Today I said goodbye to my family and even though I will miss them a lot, I am so excited to go to the Moon.
