Message from the Headteacher

Dear Parents/Carers,

A busy week, with the children getting used to being back in school, although they do look a little tired! Hopefully, they can recharge their batteries over the weekend.

Please can I remind parents/carers that if another person is collecting your child from school, please let the school office know **before 2pm**, otherwise class teachers will not know before they come outside. Thank you.

There is a reminder below of how to access Teams from home, where you can find the homework online. If you have any difficulties, please let us know. A reminder email will be sent out next week, informing you of your child's password.

At the moment, there are still issues with the testing of children who show signs of the virus. Please persist! We have passed on the issues to the Local Authority and they are in turn passing these on to the DfE. Hopefully, this will improve over the next few weeks. Please still be vigilant and look out for the 3 signs and symptoms of the virus. As I said last week, luckily there have been no positive cases of the virus in school. Hopefully, it will stay like that!

Have a good weekend!

Many thanks, Jon Stevens.

Teams Classrooms

1. Log into RM Unify – bromhillsdudley.rmunity.com
2. Log into your child's account (Remember – the username is your child's last name and the first letter of their first name, followed by @bromhills.dudley.sch.uk - for example: smitht@bromhills.dudley.sch.uk)
3. Type in your child's password (these have been sent out via text)
4. Once you have logged into RM Unify, you should be able to see a tile called Teams – click on this (the first time you do this, you might be prompted to sign into an account – use the school account and then type in your child's username, as above)
