Message from the Headteacher

Dear Parents/Carers,

I find that the weekends come around very quickly – I wonder if you do as well?

As the weather is changing, and Autumn seems to be creeping in, please can you make sure that your child has a coat (with their name in). We do try to get the children outside, whenever possible, even if it is cold or drizzly. Therefore, please do send them in with one – thank you.

Normally, we would be arranging a parents' evening, to enable you to come and talk to your child's class teacher about how they are settling in and getting on. Unfortunately, due to the current situation, schools have been advised by Dudley LA not to hold these as normal, as only essential visitors are allowed to come into schools. Therefore, we shall be deciding how we communicate this information with you and will let you know as soon as a decision has been made.

As always, if you have a question or query, please do get in touch via email or phone.

Have a good weekend!

Many thanks,

Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.

Information

What to do if...

If your child is unwell with the following symptoms, please keep them at home and book a Covid19 test. (Children can return to school if the results are negative.)

- High Temperature
- Continuous cough
- A loss of smell or taste

Please let school know if this is the case. If you have any problems booking a test, please let us know.

Teams Classrooms

Log into RM Unify – bromhillsdudley.rmunify.com

Log into your child's account (Remember – the username is your child's last name and the first letter of their first name, followed by @bromhills.dudley.sch.uk - for example: smitht@bromhills.dudley.sch.uk)

Type in your child's password

Once you have logged into RM Unify, you should be able to see a tile called Teams – click on this (the first time you do this, you might be prompted to sign into an account – **use the school account** and then type in your child's username, as above)

Hopefully, you will be able to see the Teams classes. Click on a class and then on the tab – assignments. Here you will find the homework.

Good Bye & Good Luck

Today we are saying goodbye to Mrs Perry, who has decided to move on to another career. She has been with us for a few years and she has done a great job, looking after children during lunchtimes (as well as ensuring the school is clean and tidy when she was also a cleaner). Thank you Mrs Perry and we would like to wish you all the very best for the future.

Children's Flu Vaccine

Tuesday 8th December

For children from Reception to Year 6.

The school nursing team will be coming into school to administer the children's flu vaccine via a nasal spray. This will be important, to ensure that children don't catch flu during the Winter months.

Permission slips will be sent out as soon as they have been delivered to school. If you have any questions about this, please contact the school nurse - Jane holden - on 01384 408990.
