Message from the Headteacher

Dear Parents/Carers,

First of all, I would like to inform all parents/carers that we are no longer accepting children into school for the rest of this term, as we only have two weeks left until the end of term.

Secondly, we have received updated guidance from the Government regarding September. It states very clearly that **all children** will return in September. Therefore, we will update our risk assessment ready for September and publish it on the school website for you all to read. I will put a copy of this on the website by the end of this term.

Next week, we are releasing school reports. These are the reduced reports that I spoke about in previous newsletters. They will be emailed to you next week.

Also, you will be receiving a letter regarding your child's next class. These will be sent out by post next week. Parents/carers of children who are starting Reception in September will also receive a letter regarding a meeting where you will be invited in, in small groups, to meet the staff and hear about policies and procedures.

As always, keep safe and well.

Many thanks, Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.

Information

Dates for your Diary

Last day of Summer term -
Friday 17th July.

Start of Autumn term – Thursday
3rd September (depending on the
advice from Government about the
reopening of schools).

Autumn Half term – Monday 26th
October – Friday 30th October.

End of Autumn term – Friday 18th
December.

Start of Spring term 2021 –
Tuesday 5th January.

School Lunch

Next week, we are offering a **chicken wrap option on Thursday** as well as **pizza on Friday**, which will be delivered to the classes in an individual box for each child.

If you would like your child to have either or both of these, please book online. **All orders must be booked by Wednesday evening.**

Please ignore the rest of the menu, as children will carry on having sandwiches for the rest of the week.

If we don't receive a hot lunch order, and your child is entitled to a free school meal, we will assume that your child will want a sandwich.

Fundraising Event

You may remember during the Spring term we had a Paralympic athlete come into school and lead a fund raising event in school with the children.

I am delighted to announce that we raised a staggering £1,048 for school to purchase sports equipment with.

This is really fantastic and a great opportunity to purchase equipment for children to be able to use at lunchtime.

Thank you for your generosity.

Dudley Performing Arts

As you know, we have Dudley Performing Arts (DPA) in school teaching whole class music lessons. However, due to the current situation, they have produced a series of short clips where children can continue to learn about music, even without the instrument.

See the links below for the music clips.
