Message from the Headteacher

Dear Parents/Carers,

I hope this newsletter finds you safe and well. As the lockdown continues, I hope you are able to access the online resources that we have put on the school website for children to use. A reminder that the Government have launched their online classroom, where you will find lessons from Reception to Year 6. This is a great resource and the link is also on the school website. Also, work is on MyMaths for children to do whilst at home. Work for reception children has also been sent out to parents and can also be accessed via the school website.

If you have completed a project of your own, and would like to share it with others, please email me the photos and I will happily share this with everyone – so be creative!

As always, if you have any questions or queries, please do email me: jstevens@bromhills.dudley.sch.uk and I will pick these up throughout the day.

Keep safe! Many thanks, Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.
