Message from the Headteacher

Dear Parents/Carers,

A huge well done to all of the children who presented their manifestos this week. They were so very brave, standing in front of an audience, telling them about why they should be voted for. This takes a lot of courage, and it was brilliant to see just how many children want to be part of the School Council. We will share the results next week.

Today, our Year 6 children are going on their residential to Kingswood. This is a great opportunity for children to go away, overnight with their peers, and try something that they may not have had the opportunity to try before. I hope they enjoy their weekend, and fingers crossed for some lovely weather! I would like to thank the staff who are taking the children, for giving up their weekend and enabling children to have this great experience, which, I am sure, they will remember for the rest of their lives!

Thank you to all parents/carers who have emailed in with the friends request for classes for next year. The deadline is today, so children without this will now be placed in classes.

Many thanks, Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.

We have been informed that the swimming teacher has been signed off on long term sickness and will not return before the end of term, and the company does not have any other staff available. Unfortunately, we have no choice but to cancel all swimming lessons this term.
