MESSAGE FROM THE HEADTEACHER

Dear Parents/Carers,

I hope you managed to come along to talk to your child's class teacher last week about their progress so far this term, and that you found it helpful. It is lovely to see so many parents/carers attend.

Congratulations to all of the entries from our Christmas reading challenge. Miss Collins was very impressed with their photos of them all reading a book in a Christmas setting. They each receive a book voucher for their entries. Miss Collins will be organising an Easter reading challenge for all children to enter over Easter – watch this space!

Well done to Millie and Phoebe who both played violin at Symphony Hall on Sunday 10th March. This was organised by Dudley Performing Arts for all children in all schools in Dudley who receive whole class violin lessons. They were very brave to play in front of 1500 people! I hope they both enjoyed the experience.

Well done to our football team who won 2-0 against Fairhaven last week. This was a great result and Mr Johnson was really pleased with them.

Have a lovely weekend.

Many thanks,

Jon Stevens

Free MMR vaccine pop-up clinic every Saturday in March

Who can attend?

The vaccine is available to children aged from **three years and four months old up to people born from 1970**. Parents and carers are encouraged to take their children to have their first or second MMR jab and get themselves up-to-date at the same time.

Anyone who isn't sure if they or their children have already had both of their vaccines can check their child's red book (personal child health record), check the NHS app, or contact their GP practice.

People can attend if they are registered with any GP practice or not.

Is a pork-free vaccine available?

Yes. A porcine and gelatine-free vaccine is available on request.

Do I need to book?

Either book through your GP practice, or you can just turn up on the day.
