Message from the Headteacher

Dear Parents/Carers,

It has been lovely welcoming all of the children back to school this week. They have done so well, putting on a brave smile as they walk through the gates. I hope that they are now used to coming into school and won't find it too hard to come back next week! However, I do think that they all need a good rest over the weekend, as they are all very tired (staff included!).

Please note that the Local Authority have issued a letter to say that if your child displays symptoms other than the three main ones, i.e. headache, sore throat, tummy ache, runny nose etc, they should be tested. To book one, you will need to book online on the following site: <https://www.dudley.gov.uk/council-community/emergencies/coronavirus/coronavirus-testing/> and tell them that you have been asked to book a test, even though they do not have symptoms. This will help to pick up cases of children having Covid, but who don't display the main symptoms.

A reminder that there will be a Karate club just for Y3&4. If you would like your child to attend, please book a place at the school office.

Many thanks,

Jon Stevens.

Bromley Hills is a Good school. Ofsted report 2019.

Information

What to do if...

If your child is unwell with the following symptoms, please keep them at home and book a Covid19 test. (Children can return to school if the results are negative.)

- High Temperature
- Continuous cough
- Sore throat
- Headache
- A loss of smell or taste

Please let school know if this is the case. If you have any problems booking a test, please let us know.

Red Nose Day

Friday 19th March

Next Friday is Red Nose Day. Activities to raise money would normally be arranged by our School Council. However, this hasn't happened, as the School Council are not meeting this year.

Therefore, we are not selling red noses this year. Instead, we are inviting children to come to school dressed in red in exchange for a donation for the charity.

If you would like to send your child into school wearing red mufti, please make a donation using the online payment service.

Thank you.

Questionnaire

We have sent out a parent/carer questionnaire this week, asking for your views regarding our educational provision during lockdown. It is not a very long questionnaire and will only take 5 minutes to complete.

Your views are important to us, as they will help us to move forward and improve our provision in future. Therefore, please do answer the questions before it closes on Monday.

Please copy the link below and paste it into a web browser to access the questionnaire.

Bagels

As you will have seen, we have reduced our bagel provision to half a bagel per child. This is because we were seeing a lot of waste each day, with half eaten bagels being thrown away.

This does bring us in line with the National Breakfast programme, where the recommendation is half a bagel per child.

We will review this decision at Easter.
